Thiruppanandhal
2018-2019

PROFESSIONAL EXPERIENCE

Smart Cliff Learning Solutions

Front End Development Internship

Coimbatore

July 2024 – Aug 2024

- Developed a responsive, user-friendly job portal frontend using HTML, CSS, Bootstrap, and React to enhance accessibility and performance.
- Implemented dynamic features with JavaScript and integrated reusable components to improve user engagement and maintainability.
- Improved application performance through regular code optimizations, reducing load times and enhancing responsiveness.

ACTIVITIES AND LEADERSHIP

Inter-College Competition(Kanithamil)

- Awarded for creating a website in Tamil in a competitive event.

Hackathon Participant

- Contributed to a collaborative event focused on optimized fertilizer solutions for sustainable farming.

Event Organizer and Representative

- Volunteering: Assisted in planning and executing academic and extracurricular events.

PROJECTS

JOB PORTAL APPLICATIONS

July 2024

- Developed a responsive job portal interface using HTML, CSS, and Bootstrap to ensure seamless user experience across devices.
- Implemented dynamic features with JavaScript and integrated React to create reusable components, manage application state, and enhance interactivity for job seekers and recruiters.

STUDENT RESULT MANAGEMENT

Sep 2023

- Developed a student result management system that allows students to view their results by entering their register number and date of birth, utilizing frontend technologies for an intuitive user interface.
- Implemented Java Servlet for backend processing to retrieve and display results from the database, ensuring efficient data storage and retrieval in NetBeans IDE.
